Sir,

Re the disposal of certain sites in Channarayapatna Municipality

I have the honour to state that certain sites near Vokkaligar Hostel by the side of Mysore road in Channarayapatna were disposed of in public auction on 16-8-1947 and confirmation orders were also issued by the Municipality on 26-8-1947 as resolved by the Council at their meeting held on 24-8-1947 The sale was conducted by the Amildar President 17 sites were disposed of and all of them have fetched more than Rs 500/- Under Rule 2 of the Rules issued in Government Notification No L 2375-M1 113-33-2 dated 12-10-1933 the sale of immoveable property exceeding Rs 500/ in value require the previous sanction of the Deputy Commissioner These sites were disposed of in August 1947 but no sanction of this office was sought for as required by rules In connection with some petition the connected records were called for and this irregularity was observed The records are now submitted to this office for ratification

From the list showing the names of purchasers, the amount and date of payment of purchase money furnished by the President it is seen that the full amount of purchase money has been paid in instalments The condition mentioned in the sale notification is to the effect xx that the full amount of purchase money should be paid within a week from the date of intimation of the confirmation of the sale failing which the sites would be resold and deposit forfeited The intimation of confirmation was issued on 26-8-1947 and from the list referred to above it is seen that there is delay ranging from 15 days to 9 months in remitting sale amounts This was pointed out to the Municipal Council with the observation as to why the sale condition was not enforced One Sree Subrahmanyam who purchased site No 3 for Rs 1000/- has paid the balance of Rs 550/- on 19-7-1948 The Municipal Council have passed a resolution on 9-7-1948 stating that the full amount was not paid in time since the bid amount was heavy and that the delay may be condoned A copy of the resolution and a copy of the list referred to are enclosed for kind perusal As in the case of revenue sales there is no provision in the Municipal Act or Rules to condone such delays

In the above circumstances I request kind instructions as to whether the action of the Municipality may be ratified by according permission as required by rule referred to in para 1 overlooking the delay in payment of purchase money since sale certificates are said to have been issued in many cases and whether the Municipal Councils are competent to condone any amount of delay in such cases Necessary amendments to the rule providing for such contingencies may be caused to be issued for future guidance

Yours faithfully,

1) Disposal of Sites

A piece of land in the extension area marked as "Recreation Ground" and shown like that in the town plan was reserved from many years The Present municipal Council with out consulting the town planing officer and also ignoring the boundary and health rules have converted the land in to small sites and have disposed

Some vacant space was reserved from many years around the Coronation Hall Govt orders have also been passed not dispose the vacant ~~site~~ space Govt permission was obtained to allow the construction of Public buildings like "Karnataka Sangha" and "Social Club' This land is also found to be not belonging to the municipality and previously it was Gramathana Such space has been converted in to ~~sites~~ sites of 30 x 40 for the construction of dwelling houses They have also disposed of Sites in the Swamy mandam I pray you kindly to send the town planing officer and get the sites un specified Meanwhile stay orders may be issued not and to ask the municipality not issue licence for

PTO

The Municipal Council have resolved to give a site to Srimathi Mahalakshamma, Sister of the present Vice President for an upset price of Rs 40/- The adjoining site has been auctioned for Rs 1600/- The Municipal Council have also given sites in the above manner to their own people They have also resolved to give more than 10 sites to certain ~~mazgaras~~ temples and Mazdis free of cost. Many of these mazgaras with sites are not recognised by the Department and not functioning properly. I pray you kindly to enquire into these and cancel all such sites/buildings

The Municipal Council has behaved in an autocratic manner without any formal acquisition and other proceedings houses belonging to poor men have been demolished by the servants of the municipality No compensation has been paid to the parties Further the municipal Council seems to have drawn money from the municipal funds for paying coolies through they got the work done through the menial staff of the municipality

The Council have encouraged encroachments of municipal lands by their own men

Even in octroi collection, with the help of the Clerk who is employed temporarily a local man and who is also the brother of a municipal councillor, they are collecting duty on articles not paying Octroi receipts

Majority of the Councillors have formed into a group and are giving trouble and causing inconvenience to the people in general and to the people who oppose them and trying to uphold justice

We pray you kindly to take early action in the matter

Subject Combined Dispensary Site
at Channarayapatna

It is with pleasure the loyal citizens of Channarayapatna town understand that His Highness the maharaja is visiting this town to lay the foundation stone of the proposed Combined dispensary

This town was in dire need of a Combined dispensary We are highly grateful to Our popular Government for having sanctioned the dispensary

It is our misfortune that the present Municipal Council and the Concerned officers have failed to select a suitable site for the construction of the dispensary The site selected at present is ~~[illegible]~~ in one end of the town The distance between the town and the site is nearly one mile

A suitable site very near the town which is in adjoining to the present L F Dispensary have ere marked for the Construction of the Combined dispensary We do not know what made the Govt Officers to select a site far off when the site ere marked was best suited for the purpose In sole selecting a new site not only the public is put to much inconvenience, much public money is also being wasted for acquiring the land and for forming a new deviation Road to the Dispensary Even this deviation Road is commenced from the Bus stand which a very busy, Woman & children ~~[illegible]~~ are exposed

P T-O

to accidents

In view of health, utility and cost the old site reserved for the purpose is better than the new one

Utility point of view, the present site will be of much use to the public as the same is far off Inpatients will not derive much help from their game in the town as the place is far off Moreover as the same in a secluded place inpatients will have no inducement to remain in the wards

As per the ~~estimate~~ Plan now prepared a building of only 50 x 60 ft will be constructed No provision is made for quarters to ladies doctor & nurses The old site ere marked is about 3½ acres and the present L F Dispensary Hand ward building which are very good and strong can be converted in to quarters

A sum of more than five to ten thousand can be saved even in electric current & providing lifts if the Dispensary is constructed in the old site

We pray you to kindly consider all the above facts and order for the construction of the Dispensary in the old site and thus help the poor people of our town

Sir,

Re the confirmation of the sale of sites near Vakkaligar Hostel in Channarayapatna Municipality
---

With reference to your letter No L 9606 dated 17-2-1949 calling for a further report on the above subject, I have the honour to state that out of the sites formed near Vokkaligar Hostel by the side of Mysore Road in Channarayapatna Municipality one site was granted by the Municipality to Sri Mahalakshmamma for an upset price, but there was some objection for this grant. I have issued orders to the Municipality cancelling the grant and directing that it should be disposed of in Public auction as kindly instructed by the Honourable Minister for Local-Self Government when he visited the place last time. The connected records with the sketch have already been sent to Government. These sites are not near shandy grounds.

The further report called for in the light of the detailed instructions of the Honourable Minister may perhaps relate to the disposal of certain shop-sites behind Sree Mylarasetty's house near the shandy ground.

A further report with a sketch has been submitted to Government in this office letter No I Ic 2410/47-48 dated 13-2-1949. This case was for hearing on 21-2-1949.
